Dec 7-1909-

The Depositions of V.D.Rose and tohers taken before me, Geo.P. Cridlin, Commissioner in Chancery for the Circuit Court of Lee County, Virginia, on the 29th day of November, 1909, at the office of M.G.Ely, ~~188~~ in the town of Jonesville, Virginia, which depositions are intended to be read as evidence in behalf of the plaintiff in a certain suit in Chancery now dependin* in the Circuit Court of Lee County, in which D.O.Carroll is plaintiff and and Lucretia Carroll is defendant.

N.D.Rose, a witness of lawful age being first duly sworn deposes as follows:

Q.1.-- State your age, residence and occupation and whether or not you are acquainted with the parties to this suit.

A.-- I am 46 years old, reside at Ocoonita, Va., am a farmer. I am acquainted with the parties to this suit.

Q.2.-- Please state how long you have known the plaintiff and how long as he resided in Lee County?

A.-- I have known him for some 30 years. He has been living in the Crab Orchard in this County ever since he has been married, which is ten or fifteen years. He moved on my place in Jan.1908, and lived there seven or eight months.

Q.3.-- Please state all you may know about the defendant Lucretia Carroll, leaving the plaintiff, going off with another man, and leaving the state.

A.-- I know while they lived on my place that a man boarded with them by the name of Nick Green, and that D.O.Carroll ordered him to leave, and run him off. After he left I saw Green and Mrs. Carroll meet up on the Railroad and they were together an hour or two. After Green was run off Mrs. Carroll said that she was not going to live with her husband any more, and she got me to haul her goods to the depot and had them shipped to Keokee, but I don't know where she is now. Nick Green was at my house a short time ago and he said that the last he saw of her she was on her way to Tennessee. They lived about 200 yards from my house, and D.O.Carroll was very often away from home at night, and I have seen this man Green there very early in the morning. I tried to see as little as possible, because it was the general reputation in the community that there was something wrong with these people, that Green and Mrs. Carroll were to familiar with each other.

And further this deponent saith not.

N. B. Rose

Henderson Stapleton, another witness of lawful age being duly sworn deposes as follows:

Q.1.-- State your age, residence and occupation.

A.-- I am 15 years old, live in Crab Orchard, and work on the farm.

Q.2.-- Do you know D.O. Carroll's wife, and if so when and where did you last see her?

A.-- I do know her. I saw her last at the Pocket Depot, on the last day of last July. That was the last time I have seen her. The Pocket depot is in this County. There was a man with her that I did not know, but I was informed that it was Nick Green. They were going on down the railroad towards St. Charles, the last I saw of them. They were walking along hold each others hands. They got off of the Pocket train at the Pocket depot

And further this deponent saith not.

John M. Napier, another witness of lawful age being duly sworn, deposes as follows,

Q.1.-- State your age, residence and occupation, and whether of not you are acquainted with the parties to this suit.

A.-- I am 53 years old, live in Harlan County, Ky., am a farmer. I am acquainted with the parties to this suit.

Q.2.-- Did you or not live near them when they resided at Ocoonita Virginia?

A.-- I did.

Q.3.-- Were you acquainted with Nick Green?

A.-- Yes sir.

Q.4.-- Please state whether or not you ever saw any undue intimacy between Nick Green and Lucretia Carroll the defendant in this case?

A.-- I did. The first thing I saw that I thought was wrong between them, she was tying a neck tie on his neck and he had his hand on her shoulder. After that I passed the house one day and saw them lying on the bed hugged up together. At another time I passed the

house and Mr. Carroll's two children were working at the door trying to get in as it appeared to me. I asked the least boy who was in there, and he said Nick Green and his ma.

Q.5.-- State if you know where Mr. Carroll was at the time you saw these things?

A.-- He was gone away from home at the time, I reckon he was at Keokee, I understood that he had gone there to get a job.

Q.6.-- State whether or not Nick Green ever told you anything about what he had had to do with this woman?

A.-- He did. He told me that he had slept with her. He said she put on fine starched under clothes to sleep with him.

Q.7.-- Do you know where the defendant or Nick Green are now.

A.-- I do not know where they are.

Q.8.-- Did you ever hear the defendant say anything about not living with her husband, if so state what it was?

A.-- I did hear her say that she did not intend to live with her husband any more, and said she was going to leave.

Nick Green tried to hire me to haul her plunder to the depot, but I told him that I would not have anything to do with it.

And further this deponent saith not.
